SIVAKUMAR K

FRONTEND DEVELOPER

Sivakumaroff5@gmail.com|6383152399|Linkedin|GitHub|Portfolio|Tirupur

Profile

A passionate and driven web developer with a strong foundation in **Frontend** technologies, including **HTML**, **CSS**, and **JavaScrip**t. Currently expanding my skills in backend development through a full-stack course, I am eager to leverage my knowledge to build dynamic and responsive websites. As a recent entrant in the web development field, I am committed to continuous learning and applying best practices to deliver high-quality solutions. With a keen interest in problem-solving and creating user-centric designs, I am looking forward to contributing to innovative projects in the web development industry

Technical Skills

- **Frontend Technologies**: HTML, CSS, JavaScript
- **Tools**: VS Code, GitHub
- **Programming Languages**: Python

Mini Projects

- **Biography of Ratan Tata**
  Developed a responsive website showcasing the biography of Ratan Tata using HTML and CSS. Implemented dynamic content presentation to enhance user engagement.

- **Clone Website**
  Created a clone of a popular website, focusing on layout design, responsive styling, and user experience. Used HTML, CSS, and JavaScript to replicate the functionality and interface of the original site

Education
